12 February 2021

Dear Parents

Greetings in the name of our Lord Jesus Christ.

Thank you for your continued support you render to the school. This letter serves to inform you of the changes/additions to our staff complement.

Following the retirement of Mr D Loveland, we would like to introduce our new principal, Mr L Silumesi. He comes to us with vast experience as a teacher and as a principal in many schools within South Africa. We are delighted to have such a seasoned educator and leader. We believe that with his expertise, the school will benefit immensely.

Our Business Studies/EMS teacher, Mr C Moyo is not well and could not join us when we started school this year. He needs our support through prayers in this difficult time. We have temporarily sought the services of Mr Nyoni, a seasoned teacher who is not new to the school. He will be taking all classes that are taught by Mr Moyo.

Furthermore, there have been staff changes in our Administration Office. Most of you have already met Mrs A Sibanda at the front office. She comes to us from Sedaven Primary school to replace Mrs Z Mawela who was transferred to the Northern Conference Offices, our headquarters.

We hope and trust that with these changes, the school will continue to produce good results and will be prosperous.

Yours sincerely

Dr D Mupoperi
Vice Principal
